Executive Summary

At its October 25-28, 2018 meeting, the APA Commission on Accreditation (CoA) voted to approve continued accreditation of the internship program at Institute for Multicultural Counseling and Education Services, with its next site visit scheduled 10 years from the date of the program's last site visit. This decision is based on the CoA's professional judgement that the program has demonstrated that it adheres to the Standards of Accreditation in Health Service Psychology (SoA). The current record indicates that a full review of the program is warranted within ten years of its last site visit, including interim reporting, to ensure continued adherence to the Standards.

Initial Accreditation Date	Accreditation Status	Next site visit date
