Postdoctoral Residency Clinical Training Program
2022-2023

IMCES is a community clinic in Los Angeles County established in 1989 with the mission of promoting human rights and social justice!

IMCES contributes to the community in 2 major domains:

2. Direct Services to culturally diverse underserved individuals and families with the spectrum of mental health challenges including prevention and early intervention (PEI), moderate (MMI) & severe mental illness (SMI).

Key Features of Residency Training

• Direct Service Provision:
  o emphasis on practicing ethical & legal standards, diversity & inclusion, and integration of science & practice

• Leadership Practice (Emphasis on PEI or SMI):
  o Applied Supervision (Theory & Practice)
  o Program Management & Evaluation

1500-1920 hours of Supervised Professional Experience (SPE)

Duration of IMCES Postdoctoral Residency is changed from 2 years to 1 year!!
